

There are over 200 soldiers buried at
St Clement Cemetery in Center Line
Michigan.

By counting stones we get around 210 but
that is just a rough first count and it is
possible a few may have been missed.

See the research paper
Veterans at St Clement Cemetery
Center Line Michigan

Prof Wesley E Arnold
humble historian

Some do not have a surviving grave stone.

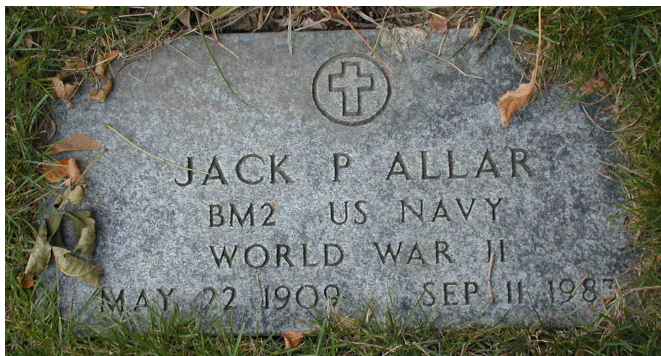

Also see the book
St Clement Pioneer Cemetery

Some additional information are in the document
books of this history series.

Also a book
Soldiers of St Clement Cemetery
Center Line Michigan
is in the works which hopefully will include
piographies.

The following are in alphabetical order
